UNIVERSITY

Educational Seminar

STERIS University and healthcare professional networks across the north east have partnered together to bring this virtual one-day seminar to you. Discover your infection prevention role in device reprocessing.

Infection Prevention: What's Your Role and Responsibility in the Healthcare System?

5.0 CE Hours
CBRN, CBSPD, & IAHCSSM

February 20, 2021
8:00 AM – 3:00 PM Eastern Time

What Will I Learn?

- Breaking The Chain Of Infection
- Point of Use Treatment of Medical Devices: Non-maleficence “Do No Harm” The Oath, Ethics, and Code
- High Level Disinfection or Sterilization: Is there Really a Choice?
- Surviving an Infection Prevention Survey
- Collaboration Learning: Social Media, Friend or Foe of the Healthcare System

Managers and Supervisors:

Stream the live event in your department for your staff to earn CEs while working.
